**GUIDE TO INFORMATION AVAILABLE THROUGH
THE MODEL PUBLICATION SCHEME 2017**

The Freedom of Information (Scotland) Act 2002 (FOISA) requires Scottish public authorities to adopt and maintain a publication scheme. Authorities are under a legal obligation to:

- *publish the classes of information that they make routinely available*
- *tell the public how to access the information published and whether information is available free of charge or on payment*

The Assessor for The Highland & Western Isles Valuation Joint Board and The Valuation Joint Board have adopted the **Model Publication Scheme** produced by the Scottish Information Commissioner.

You can see this scheme on the Commissioner's website at www.itspublicknowledge.info or by contacting us at the address below:

The Highland & Western Isles Valuation Joint Board
Moray House
16-18 Bank Street
Inverness
IV1 1QY
Tel: 01463 575395
assessor@highland.gov.uk
www.saa.gov.uk/h-wi-vjb

The purpose of this Guide to Information is to:

- *allow you to see what information is available (and what is not available) in relation to each class*
- *state what charges may be applied*
- *explain how you can find the information easily*
- *provide contact details for enquiries and to get help with accessing the information*
- *explain how to request information we hold that has not been published.*
- *Explain how you can re-use public sector information*

The MPS imposes six principles which guide the way authorities must make their information available:

- *Principle 1: Availability and Formats*
- *Principle 2: Exempt Information*
- *Principle 3: Copyright and Re-Use of public sector information*
- *Principle 4: Charges*
- *Principle 5: Advice and assistance*
- *Principle 6: Duration*

The Guide also contains the following sections:

- *Contact Us*
- *Notifying the Commissioner*
- *The Classes of Information that we Publish*
- *How to access information which is not available under this scheme*
- *Requests for your own personal data*

Availability and Formats

The information we publish through the model scheme is, wherever possible, available on our website. We offer alternative arrangements for people who do not want to, or cannot, access the information online or by inspection at our premises. For example, we can usually arrange to send information to you in paper copy (although there may be a charge for this).

Exempt Information

We will publish the information we hold that falls within the classes of information below. If a document contains information that is exempt under Scotland's Freedom of Information laws (for example sensitive personal information or a trade secret), we may remove or redact the information before publication but we will explain why.

Copyright

Where the Assessor for The Highland & Western Isles Valuation Joint Board or The Highland & Western Isles Valuation Joint Board holds the copyright in its published information, the information may be copied or reproduced without formal permission, provided that:

- *it is copied or reproduced accurately*
- *it is not used in a misleading context, and*
- *the source of the material is identified*

Where the Assessor for The Highland & Western Isles Valuation Joint Board or The Highland & Western Isles Valuation Joint Board does not hold the copyright in information we publish, we will make this clear.

Re-Use of Published Information

The Assessor is not a Public Sector Body in terms of the Re-use of Public Sector Information Regulations 2015. Therefore the statement below only applies to information held by The Highland & Western Isles Valuation Joint Board in pursuit of its public task.

The business of the Valuation Joint Board falls into five main categories, Council Tax, Non-Domestic Rating, Electoral Registration, IT and other Business Support Services (such as personnel, finance etc.), though, as above, Valuation Rolls, Council Tax Valuation Lists, Electoral Registers and their supporting data will not be covered.

Charges

This section explains when we may make a charge for our publications and how any charge will be calculated.

Unless otherwise stated, all information contained within our scheme is available from us free of charge where it can be viewed on our website or where it can be sent to you electronically by email. There is also no charge to view information at our premises.

We reserve the right to impose charges for providing information in other formats. Charges will reflect the actual costs of reproduction and postage to the authority, as set out below. In the event that a charge is to be levied, you will be advised of the charge and how it has been calculated. Information will not be provided to you until payment has been received.

Reproduction Costs

Where charges are applied, photocopied information will be charged at a standard rate of:

- 10p per A4 sheet (black and white copy)
- 30p per A4 sheet (colour copy)

Computer discs will be charged at the rate of £1.00 per CD-Rom/DVD.

Postage Cost

We will pass on postage charges to the requester at the cost to the authority of sending the information by first class post.

For the avoidance of doubt these costs relate to the delivering of information which is otherwise free.
